Subject: 2007 Membership

Dear Member of the Bexley Area Community,

I invite you to use the enclosed form either to renew your membership in the Bexley Area Chamber of Commerce for 2007 or to apply for first-time membership.

During 2006 we have witnessed much change in the commercial parts of Bexley, and the Chamber itself upgraded its website [www.bexleyareachamber.org](http://www.bexleyareachamber.org) and also released a **video** entitled "Welcome to Bexley", DVD copies of which are still available on request. The Chamber also hosted networking events and was a major sponsor of the ***Bexley: A Pathway of Color*** banner display along Main Street.

The Chamber is an organization with no paid employees and thus has many opportunities for members to participate in various ways in Chamber-sponsored events and to meet other members of the Chamber and the general community.

All paid members will appear in the 2007 Member Directory on the website, where Patron members will also receive recognition. Members will be invited to submit news briefs for display on the website.

A major benefit of membership is eligibility to participate in the Anthem Blue Cross and Blue Shield Chamber Plan, but you do need to maintain active Business/Professional membership to participate in the Anthem Chamber Plan.

The enclosed form can be used for the three types of membership:

**Patron:** \$100.00 or more  
**Business/Professional:** \$70.00  
**Individual:** \$35.00

Thank you for your prompt response.

Sincerely,

Edward Nyhan  
President  
Bexley Area Chamber of Commerce
