Calling All Vendors for **Holiday Hop, 2020 Style! December 4th – 6th (12 – 4pm on Sunday)**

We're spreading things out this year to help you engage with more customers in a safe, distanced manner.
RSVP your participation no later than Tuesday, November 10th.

Three-day Overview

Friday & Saturday will be self-guided shopping days for customers. Visitors can take advantage of your special discounts and promotions at their leisure, in person or online. **Sunday** will cap off the weekend with photo opportunities, live music, prizes and more. Vendors will be given a word or phrase to prominently display as part of this year's **Word Search Scavenger Hunt**. Already on tap for 2020 are socially distant photo opportunities with holiday favorites Santa Claus & Dreidel Man, musical entertainment, our annual Scavenger Hunt, great prizes, and lots of holiday fun! This year's event will culminate with the City's tree lighting at Drexel Circle.

Being a stop on this year's Scavenger Hunt requires your participation in the following:

1. Offer a discount or promotion, December 4th-6th
2. Donate to the raffle prize
3. Place a word or phrase in your window that is visible from the sidewalk (we will provide your word as part of our Word Search Scavenger Hunt)

Hit reply, tell us you're IN and how you're participating!
